

# PRIORS MEETING 2024

## St. Mary's Abbey

Calling all priors!

Happy Easter! To avoid Election Day, November 5, 2024, I propose Wednesday, November 6 as a travel day (through early arrivals are welcome!). Abbot Joel Macul, former abbot of St. Paul's Abbey, Newton, NJ, has graciously agreed to be our presenter. We will meet morning and afternoon for conferences Thursday, November 7 and Friday, November 8. There will be time for fellowship and fun, of course!

Saturday, November 9 will be a travel day, though you're welcome to remain longer. Most will be housed in the retreat center. Each room has a sink, and a few rooms are en suite. As needed we will provide transportation to and from conferences, liturgies and meals, as the monastery is uphill! It's a short, pleasant walk for the willing and able.

We're keeping the cost the same, i.e. \$350 to help offset the costs. All should plan to fly in/out of **Newark Liberty International Airport (EWR)**. We will organize transport to/from the airport as needed. If you drive, we're ca. 3-4 miles from I-287.

Kindly fill out the short form using the QR code or link below, as I don't have emails for everyone. All congregations are welcome. Feel free to contact me: [edward@delbarton.org](mailto:edward@delbarton.org), 973-538-3235, ext. 2002 office or 973-715-7102 mobile. We're looking forward to welcoming you!

Pax,

Fr. Edward Seton, O.S.B.

Edward Seton Fittin, O.S.B., prior
