About the 2023 Junior Summer Institute

Saint Bernard Abbey is happy to host the annual Benedictine Junior Summer Institute. This program will offer monks in temporary vows the opportunity to meet, pray, study, and recreate together. Noteworthy features of this year's Institute are: a three-day workshop on the Book of Esther, an exploration of the Civil Rights Movement in Birmingham, an outing to the US Space and Rocket Center in Huntsville, a day-long retreat, and numerous recreational activities. We warmly invite you to participate in the upcoming Junior Institute.
